Williams, Adley & Company-DC, LLP Associate, Audit and Assurance Services

Location: Washington, DC Department: Audit and Assurance Services

Type: Full Time Min. Experience: Entry Level

Company Overview

For more than 35 years, Williams Adley has provided expert accounting, auditing and consulting services to a growing number of federal and state and local government agencies. Our dedication to operating with the highest levels of honesty, integrity and transparency means we frequently go beyond the typical "vendor/client" relationship, becoming trusted advisors to our clients.

General Position Description

The Associate is responsible for analyzing reports, statements, and accounting records of an internal or external entity to ensure accurate calculations. Must have thorough knowledge of all laws and regulations relating to accounting practices because the job is to detect and report any discrepancies within a company or other agency's financial records. If an error has occurred, it is the Associate's duty to trace it back to the source and communicate the error to his/her supervisor. This will enable the Associate to collect, process, maintain, and report accurate, reliable, and complete financial information.

Other duties include reconciling proprietary and budgetary accounts, posting account entries, reviewing federal funds control, and performing other duties as assigned by supervisors.

The following are representative, but not all-inclusive, of the knowledge, skills and abilities required to lead in this role.

Essential Duties and Responsibilities:

- Assist the Senior Associate in performing test procedures
- Examines accounting documents to verify accuracy and compliance with policies, procedures, and acceptable accounting standards
- Prepares work papers and supporting documentation

Education:

Bachelor's Degree in Accounting with a G.P.A. of 2.75 or higher, preferred

Experience:

- No professional experience is required; however, internship experience working as an accountant or consultant for a public accounting firm, or a professional services firm preferred.
- Beginner's level understanding in the areas of Generally Accepted Accounting Principles (GAAP) and willingness to become familiar with AICPA, Government Accountability Office, and Federal Accounting Standards Advisory Board regulations and requirements.
- Demonstrated ability to multi-task and work under tight deadlines

Other Requirements:

• May 2019 and recent college graduates, preferred
